Team size and level will be determined after Athlete Evaluations but is subject to change throughout the course of the season.

### PRACTICES

Practices will begin the week of May 22<sup>nd</sup>.

### LATE EVALUATIONS

Yes! It is possible to make a team later in the season through a Late Athlete Evaluation. However, spaces on teams may be very limited and we are often only looking for athletes of a specific age or skill level. In addition, monthly fees are calculated annually and include competition expenses, so anyone starting late will still be required to pay those fees. But even worse is that the athlete may miss some of the training, team bonding experiences and memories that make each season so special and memorable.

### PRIVATE EVALUATIONS

Private Athlete Evaluation sessions may be scheduled for athletes that cannot attend 2 of the 6 dates offered. Cost is \$65.00 for ALL athletes. To schedule, please call (239) 592-0608 Mondays – Thursdays after 4:30 PM or email Millie Cao at [gymworld\\_elitecheer@aol.com](mailto:gymworld_elitecheer@aol.com)
